

## Your Giving Matters

For in-person worship, the offering plates will not be passed, however, offering boxes are located in the narthex. For those worshipping online, your giving matters too. Your continued faithfulness to the mission and ministry of Northwood through your giving is critical as the church's expenses do not stop. Please commit to maintain your regular schedule of giving throughout this time by mailing your gift or using one of the online platforms below for giving electronically:

1. Text NPCHURCH to 73256 and follow the prompts.
2. Visit [www.northwoodpc.org](http://www.northwoodpc.org) and click on the giving tab.
3. Click "Give" under the *ChurchLife app* menu options

### [Safety Measures](#)

Since the outbreak of the COVID-19 pandemic, the Commission for the Return to In-Person Worship undertook some additional safety measures to take concrete steps to mitigate the spread of the virus. One of the most notable was the Sanctuary's heating, ventilation, and air conditioning system (better known as HVAC) was permanently modified to include a UV-C disinfecting light. This light kills bacteria, molds, most allergens, and viruses and irradiates the air travelling through the HVAC system prior to it being recirculated. What this means is that even if someone was infected with COVID-19 and was in the sanctuary, the HVAC system's air circulation would pull the air they breathed out through the intake ducts, irradiate the air killing the virus, then return the air back into the sanctuary.
