A Way to Give!

Access Church Directory and Give via Android or iPhone

Northwood uses ACS software and we'd like for you to know about the ACS Church Life™ mobile app. Those of us on staff have been using the app for a couple of years now and if you've given us the chance, we've probably downloaded it to your smartphone for you. The app provides instant access to the names, addresses, pictures and phone numbers of anyone who would normally appear in a printed Northwood church directory. Information is always as current as the church's data base and access is available to you anytime, anywhere, from your mobile phone. You can even map visits or sign up for events like Vacation Bible School all on the go. Also, with the new mobile giving feature, you can quickly and easily contribute to NPC's published funds...with just one click.

This easy-to-use app is free and available to all NPC members listed in our database using the same user name and password that you create for Access ACS™. If you don't already have a login and password, you can create one by visiting our website at www.northwoodpc.org and clicking on the LOGIN link at the top of the page. When the screen appears, just click where it says "Need a login?" Follow the steps to create the login and then visit the app store on your mobile device to search for and download the app called ACS Church Life. Once downloaded, tap on the new icon on your phone and login using the credentials you created via the website. It may sound a bit complicated if you aren't used to this exercise, but we're always available to help. Call Chris Hurst in the church office and arrange a time to come by. We'll get you started!

Around Northwood

Our 4th annual Easter Egg Hunt was wonderful!! Thank you to all those who helped with donations for the eggs and those who helped stuff the 2500 eggs. We had over 100 people attend. Thank you to the wonderful puppets who came to share the news of Easter with the kids!

Music Workshops, Festivals, and Seminars

This spring our Angel Choir (3rd-5th graders) went to our 18th annual Central Florida Children's Chorister's Guild Festival in Orlando, FL. We learned 5 anthems that other children's choirs throughout the state also learned, and we joined to rehearse and sing them together with a respected choral clinician. The children also experienced drama, handbells, Orff, sign language, puppets, drumming and recorder. It involved an overnight stay which the children loved and ended with a concert of everything they had learned. Many thanks to our chaperones. It was a terrific event! Part of the cost for the choral festival was helped by the garage sale monies, so we thank you!

Another opportunity afforded to us was a handbell clinic sponsored by the local AGO chapter who also footed the cost of the event. Three of our handbell groups (2 adult and one youth) performed in front of our peers and then we were constructively critiqued by Rick Holdsworth, the director of a professional handbell group, 'Ring Sarasota'. Another chance to learn and perform.

We are grateful for these opportunities to improve our skills and to fellowship with others. We are looking forward to our summer Music Workshop in June where almost 50 youth and adults from Northwood will attend worship, sing, play bells and instruments, attend classes, and more!

Registration has begun for the 2018-2019 school year. If you or anyone you know that has children ages two to four and are interested in attending Kids' Corner preschool, please invite them to come for a tour. At Kids' Corner, we have a quality program with activities that engage the whole child. You may contact us at 727-723-7679, or email schooldirector@northwoodpc.org.

News From the Mission Field

Habitat, Spring Break & Seven Huge Pans of Ziti

Throughout the month of March, Habitat for Humanity in Pinellas County hosted college students who came here on their spring break to work on Habitat houses. Habitat invited faith communities and other organizations to provide lunches for these dedicated, hungry workers.

The Northwood Mission Team was glad to answer the call. On Tuesday morning, March 13, 5 large pans of ziti filled with meatballs covered with cheese, along with 2 vegetarian pans were prepared and cooked to a golden brown. Several Mission Team members transported the ziti, large delicious cookies and tableware to Largo in the church van. We were greeted by Habitat staff and 70 enthusiastic college students from Stony Brook University.

Habitat representative, Pam Ora sent the following note:

Hi Pastor Paul,

Here is a group photo of the college kids. They LOVED the food and were so grateful today. Habitat is thankful to have partners like NPC. I wish we had more that could make these volunteer days special. Please tell everyone that helped make this food what a blessing it was today. Thank you!

I want to thank all those on the Mission Team who gave of their time and talent to make this day special. It is truly a joy and a privilege to share with others the blessings we receive from our Lord.

Citylight Summer Mission Trips

This summer, our youth will be going on mission trips where we will be coming together with other youth ministries, to broaden our perspectives, challenge our comfort zones, be empowered, empower others, and create a sacred space where God can work in and through our lives.

Middle School Trip:

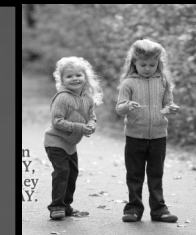

On June 24-29 our Citylight Middle Schoolers will be going on a mission trip to Vero Beach, Florida. This trip will be with Epic Missions and we will be working together as we do things like serve at food banks, host a dinner and game night for the elderly, and lead VBS. Our group can have a huge impact on the Vero Beach community by showing the love of Christ to the people that we'll be serving.

High School Trip:

On July 15-21 our Citylight High Schoolers will be going on a mission trip to Jacksonville, Florida. This trip will be with TEAM effort and we will be working together in a community that was affected by the Hurricane Irma and storms that came through the area. The impact our group can have showing the love of Christ to the families and children who live there is immeasurable.

Children's Ministry

Vacation Bible School June 4-8

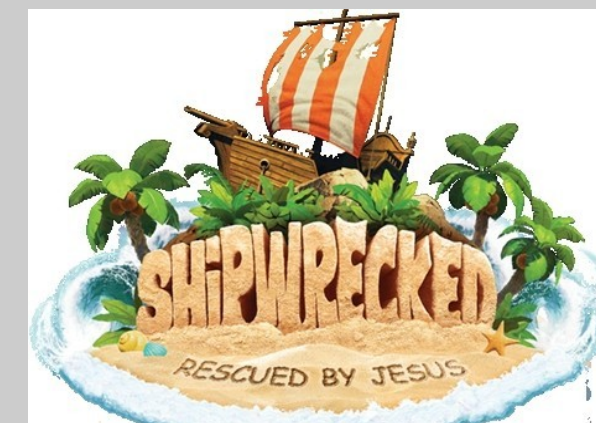

Ahoy!! Come and join us for 2018 VBS "Shipwrecked: Rescued by Jesus!" At Shipwrecked VBS, kids discover how Jesus rescues us through life's storms. Shipwrecked is filled with incredible Bible-learning experiences kids see, hear, touch, and even taste! Sciency-Fun Gizmos™, team-building games, cool Bible songs, and tasty treats are just a few of the standout activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.) Plus, we'll help kids discover how to see evidence of God in everyday life—something we call God Sightings. Get ready to hear that phrase a lot! All children ages 4 (by 9/1/2018) through 5th Grade are invited to attend.

Any youth interested in being a youth guide, please read the information on the Northwood website and register!

Registration fee is \$15.00
