## [Middle School Mission Trip Update](#)

Last week, our middle school students went on a mission trip to Vero Beach, Florida where they were able to broaden their perspectives, challenge their comfort zones, be empowered, and empower others. God did amazing work in and through their lives as they worked together to lead VBS at another church, served at a food bank, visited the elderly, and worked with at-risk youth in the area. Our group had a huge impact on the Vero Beach community by showing the love of Christ to the people that they served.
